COACH EVALUATION FORM
(to be filled out by the players/parents)

One of the ongoing commitments of the Aldergrove Youth Soccer Club Board of Directors is to provide our children with the best coaching possible. Precisely what qualifies a coach as "an excellent coach" depends, to a large degree, upon the age of the players and qualities within the coach. Another factor is whether the children are participating in a recreational or competitive environment. A great coach at the high school level may not be able to relate to 6 year olds. A coach who played at high levels is not necessarily a good teacher. In fact, the coach of an undefeated team may be doing damage to his player's abilities and psychological fitness. We strive to find, train and retain coaches who understand their players, the environment and who are qualified to teach the great game of soccer.

This is a Coach Evaluation Form. The results of this form are CONFIDENTIAL and will only be seen by the Aldergrove Youth Soccer Club's Evaluation Committee as one of many tools used to review current and potential coaches applying to coach for the upcoming season. Please help us to assess the abilities of those who coached your children. The feedback we receive will help us to identify the strengths and weaknesses of our coaches, as well as the program as a whole. Thank you for taking the time to provide this feedback.

This form may be filled out by a player, a parent or guardian or a combination of a player and parent or guardian. Please indicate your answer by circling the appropriate response – **a 5 being you agree completely, a 1 being you disagree.**
